DESIGNER:
Martin Ballendat

Martin Ballendat, born in Bochum, Germany in 1958, obtained a degree in industrial design from Folkwang Design School (Essen University).

After graduation, he held many important positions in the furniture field. In 1995, he established his personal studio Design Ballendat, leading a talented design team, combining technology, practicality and art in simple design.

Famous for simple and elegant design style that keeps pace with the times, his powerful design vocabulary has won numerous design awards.

STYLISH OFFICE

Style and personality are its most unique expressions, while leisure and ease are its most gentle and delicate faces.

PROPER ASSEMBLY UNLIMITED DESIGN

Nobody knows where is confidence from, maybe it has thousands of sources and millions of incarnations. But when we sit on these noble and comfortable office chairs, self-confidence is really not far away.

Plain and noble, simple and inspiring
Simple and plain lines, honest and square shape,
smooth and in 11 colors, the movement
let you feel relax even in the tension of work.

Exceptional modeling

A scene is created by the mind. The field of thought is no longer restricted by space. Office demonstrates the simple city sense, relaxing, bright, with personalized environment that is cool, professional and reliable.

BALANCE & RELAX

This ergonomic chair supports you in various positions. Excellent design allows the pelvis to move forward naturally and spine into a balanced position. The upper body is supported for the best natural position, you experience the balance.

Studies have shown that traditional "right-angle" sitting can lead to poor back support, weaken major muscle groups, and ultimately lead to a variety of lifestyle ailments. The most effective pose for sedentary people is to create an open angle between the thighs and torso, with the hips as a fulcrum. This rotates the pelvis forward until the spine reaches its natural balance.

Succinct DESIGN

Stylish prime elegant, concise ingenious

With flexible adjustment of angle, the design strives for maximum comfort; ergonomically curved shape make it ideal for user to get relaxed in a shortest period of time.

Meticulous craftsmanship, in which every part is finely selected, ensures high standard and high quality.

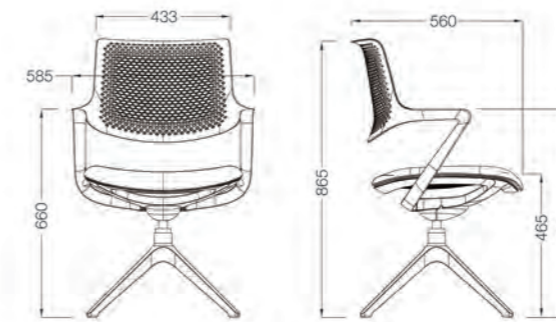

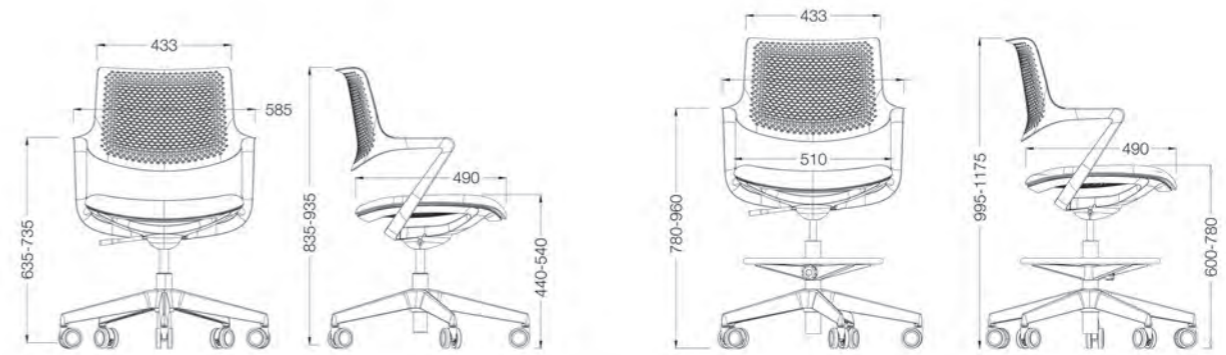

High Chair

Concise design, pleasant atmosphere

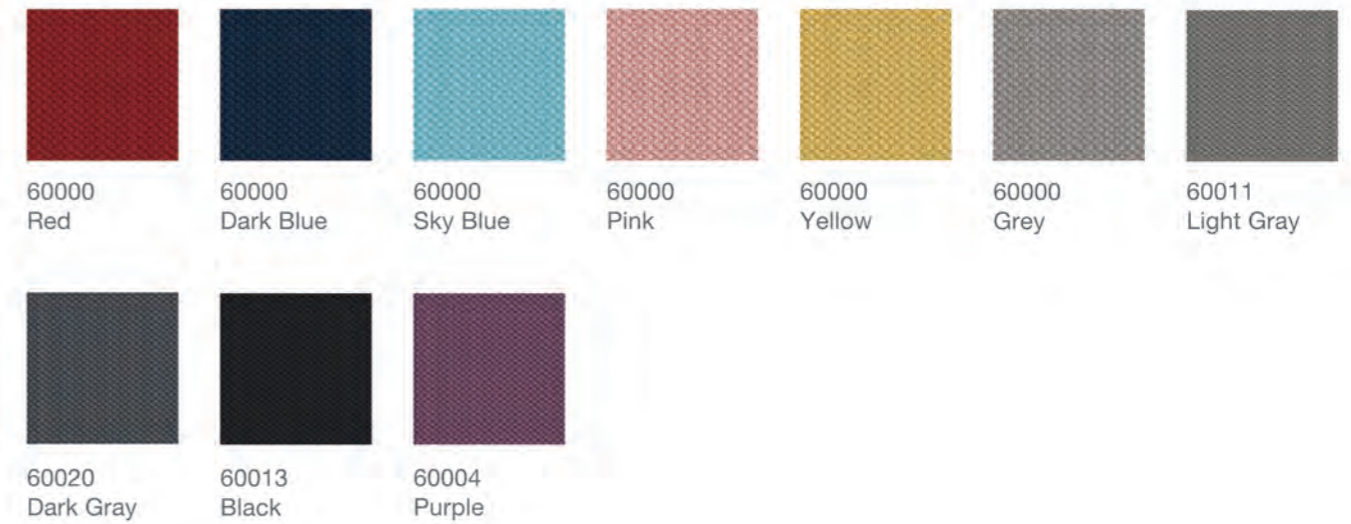

Perfect products are precious because of creative ideas. Flexible and adjustable designs are in accordance with ergonomics theory, and fully save the limited office space, representing modern office and management concepts.
